DIVORCE—A suit for divorce was
filed yesterday in the superior court of
Maricopa county by Clela Dillman
against Chris Dillman.

WORRIED TOO MUCH—Irving
Kingsley was committed to the county
jail on a charge of insanity. Worry is
said to be the chief cause of his men-
tal derangement.

WILL KNOW TODAY—Dr. Long,
charged with selling liquor contrary to
the statutes appeared before Judge
Phillips yesterday and pleaded guilty
to both charges. He will be sentenced
today.

NORTHERN ARIZONA LAWYER

member of the bar in the northern
part of the state, was in the city
yesterday attending to some matters
of business before the state supreme
court.

ing.

representative from Santa Cruz
county, returned from his home in
Nogales yesterday and was on hand
at the sessions of the legislature.

the border between the warring
Mexican factions. Mr. Curry, repre-
sentative of Cochise, who went home
on the same sort of errand, also re-
turned yesterday.

CAR OF HUPS—J. S. Morrison of
the Arizona Hupmobile agency un-
loaded a car of Hupmobiles yesterday.
There were five of them, including
one seven passenger, the first ever
shipped west of the Mississippi and
a delivery car with a patent slow
speed device.

MANUEL HERE AGAIN—H. J.
Manuel of El Paso, Tex., one of the
traveling salesmen who have been
making this territory for years, is
again a visitor to Phoenix, after an
absence of some months. Mr. Man-
uel numbers his friends with his ac-
quaintances, so numerous are they.

STEALING BULBS—Small boys
have engaged recently in stealing the
little electric light bulbs from the au-
tomobiles left standing in the daytime
in front of the Fleming block. The
police have been notified of the de-
raudations and a close watch is being kept
for the culprits.

COWS FOR YAVAPAI—J. D. Be-
thune, Jr., has been in Phoenix for the
past few days on business. During this
time he made several trips of inspec-
tion to the various stock breeding
farms of the valley for the purpose of
selecting a number of fine Holstein
milk cows for Yavapai county.

RADSTONE LEAVING—Frank M.
Radstone who came to Phoenix three
months ago and engaged with the Re-
publican on some special advertising
and later engaged in the real estate
business, will leave today for Miami
and Globe to close up some real estate
transactions. From there he will go
on to Winnipeg and later to London.

LOSES WATCH—W. H. Hermes,
stopping at 127 North Ninth avenue,
and a resident of Denver, reported to
the police yesterday the loss of a
watch, which he says must have fallen
from his pocket while he was making
his way from the Adams school to the
postoffice. The watch is a ladies model
and has the initials "H. M. H." en-
graved on the back.

IS KINGSLEY INSANE—Irving K.
Kingsley, who says that he comes to
Arizona from California and that he is
a native of New York state, was taken
in custody yesterday by the police on
suspicion that he was of unsound mind.
He was transferred to the county and
will be tried for insanity. He stated
yesterday that he had lived in Phoenix
for a time over one year ago and that
his wife is living in California.

BEGIN STAGE REHEARSALS—
Rehearsals for the "Brown of Har-
vard" production at the Elks Theater
week after next will be transferred to
the stage of the Elks Theater beginning
tomorrow evening. From now until
the dates of the show the company will
work in ensemble practically every
evening. The entire cast has been se-
lected and Director Davies is working
with a will to make the Elks show of
1913 the greatest ever.

MOUNTAIN STATES OFFICIAL—
Dean D. Clark of El Paso, one of the
division officers of the Mountain
States Telephone and Telegraph com-
pany is again in the city from El Paso
his headquarters. Mr. Clark's work at
this season of the year is pretty much
cut out for him. He is authorized leg-
islative agent for the company for the
two states of New Mexico and Arizona
and both legislatures are in session at
the same time.

OPEN HOUSE AT ST. LUKE'S
HOME—That the friends of St.
Luke's home may have an opportu-
nity to appreciate the progress of the
past year, and those who are
yet strangers to the home may ac-
quaint themselves with the splendid
work being accomplished among
those afflicted with tuberculosis, the
board of visitors will keep open
house during the afternoon of
Wednesday, March 12. This will be
the annual donation tea and a cor-
dial invitation is extended to all
those interested in this very vital
and necessary work. Gifts of fruit,
food or money will be gratefully re-
ceived. The Eastlake park cars will
be met at the terminus by automo-
biles.

BULL FIGHT PICTURES—One of
the most interesting films shown at
the Coliseum theater in some time
was run as a one night special last
evening, showing the bull fights in
the arena at Mexico City on last In-
dependence day, September 16. In
all eight bulls and five horses are
dispatched in the action of the pic-
ture, and for those who have a de-
sire to be initiated into the secrets
and sensations of attending a gen-
uine bull fight it is the nearest ap-
proach to the real thing that has
ever been seen in Phoenix. W. A.
O'Grady brought the film to Phoe-
nix and Manager Reeves was enabled
to make an engagement for one night
only. The film may be shown here
again at some later date.

WATER RENTALS OVERDUE—
City water rentals were due and pay-
able yesterday, but at the close of
business it was found that several
hundred users of water had not paid
the March rental fee. It has become
so apparent that with the removal
of the delinquent fee of \$1 for un-
paid rentals that the Phoenix public
is inclined to forget the tenth of
each month, the water department
officials announce that hereafter
every user of water who fails to
make payment within the stipulated
ten days at the beginning of each
month will find his water turned off
promptly on the day following. Those
who pay their rentals today will
likely ward off the man with the
turnoff wrench, but it is likely they
will find themselves without service
after today.

WHAT DAME RUMOR SAYS—
It is rumored that one of the com-
petent young men employed in the
board of control at the state house
will shortly lead to the altar one of
the efficient young lady attaches of
the senate.

GIRLS ADRIFT CAN LIVE

imum wage scale of \$12 a week for wo-
men would drive half the factories out
of Illinois and cost half the women
their jobs.

"The law wouldn't bother us much,
but the factories would feel it and they
would hire men instead of women if
they have to pay \$12, because they can
get more work out of the men," he said.
Other witnesses readily gave the de-
tails of their payrolls, but were a unit
in declining to state the profits of the
firms.

Lieutenant Governor Barrett O'Hara,
chairman of the commission, asked if
word had been passed among the mem-
bers of the State Street Retailers' as-
sociation not to disclose their profits, but
each witness denied collusion. They
agreed, too, that \$8 was about the right
minimum on which a woman could sup-
port herself.
The commission adjourned until fur-
ther notice, which probably will be
given this week.

Look Into White Slavery.
DES MOINES, March 10.—Governor
George W. Clark will ask the Iowa leg-
islature, now in session to make a com-
plete investigation of industrial con-
ditions in Iowa as to their effect on
the white slave traffic, according to an
announcement today.

caused a report that they were the vic-
tims of an attempted assassination.
